Education

B.Tech in Computer Science & Engineering – Amity University Chhattisgarh, Raipur (2023 – 2027 Expected)

- Focus: Python Programming, Web Development, Game Development

Technical Skills

- **Programming Languages:** Python, c++, c#

- **Web Development:** HTML, CSS, JavaScript, Django

- **Game Development:** Unity

- **Other Skills:** Data Structures & Algorithms, Git Version Control

Projects

Snake Game – Python

- Implemented food interaction, collision detection, and scorekeeping.

- Applied game loops, event handling, and OOP principles.

- GitHub Link

Tic Tac Toe Game – Python

- Developed a 2-player interactive game with winning/tie detection.

- Implemented valid move validation and replay functionality.

- GitHub Link

Connect 4 Game – Python

- Created a 6x7 grid game with two-player interaction and winning conditions.

- Implemented horizontal, vertical, and diagonal win checks with replay option.

- GitHub Link

Experience

Python Intern – InternPe (June 30, 2025 – July 27, 2025)

•   Hands-on Python programming experience and collaborative development using Git and JIRA.

•   Developed projects like Connect 4 Game, strengthening problem-solving, debugging, and software engineering skills.

Achievements & Certifications

•   Python Internship at InternPe (Jun-Jul 2025)

•   Qualified Internal Smart Indian Hackathon 2024
